## Accessories:

Western Ladders offers a variety accessories to complement customer ladder purchase. These Include:

### Swivel Safety Feet.

A hard grip rubber boot that gives ladder stability keeping the timber stile away from direct contact with the ground.

A variety of Head Section set-ups are available on all extension Ladders for pole ladder use.

Most extension ladders will have a bucket assembly consisting of a head rope, tie on rope and cam cleat.

**Two different examples are shown here.**

If required Western Ladders can manufacture and customise any bucket assembly to customer's requirements

## Other Ladders

In addition to wooden ladders Western Ladders also sells a range of Fibreglass Step, Extension and Platform Step Ladders on behalf of other manufactures.

Brands include Baileys and Branach fibreglass Ladders.

We also offer a complete repair and re-roping service on any ladders.
